Dear Prof. Dr. Dhakal:

We are very saddened to hear about the severe damage caused by the earthquakes that struck Nepal on April 25 and May 12.

Please accept our sincerest wishes for the speedy recovery of your country. I hope you, your co-workers, friends, and family are safe and well after the tragic events in the country.

Please be safe in the knowledge that friends are thinking of you and your loved ones. Our thoughts are with you at this difficult time.

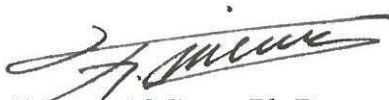

Kind regards,
